

# Dock Drawing Examples

- Detailed drawing of the existing dock. Photos are not accepted. To be accepted, the drawing must show:
  - Overall, outside dock dimensions (i.e. length and width).
  - All boat slip dimensions (i.e. length and width).
  - All walkway widths
  - If the dock was constructed after 2004 and any walkways are less than 4 ft wide, the drawing must show walkways that are less than 4 feet wide as blocked off.
- Overall, outside gangway dimensions (i.e. length and width).
